RE: HIPAA SEMINAR/ SECOND SUBMISSION

PLEASE PROVIDE COPY TO OWNER OR RADIOLOGIST

Due to the HIPPA Update Fax sent out Friday, January 10, 2003 Atlantic Imaging Group, (ATLANTIC) has been able to negotiate the services of Garfunkel, Wild and Travis, P.C. Attorneys At Law to provide a detailed HIPPA Seminar for all ATLANTIC Preferred providers. Garfunkel, Wild and Travis, P.C. have been providing their HIPPA services throughout New York and New Jersey and are experts on the upcoming HIPPA Regulations.

Garfunkel, Wild and Travis, P.C. have a complete turn-key solution to HIPPA compliance through the use of fully prepared HIPPA Compliance books and all the forms necessary for a Diagnostic Radiology / Medical Practitioner to become HIPPA compliant.

The normal cost for this seminar is \$850.00 for two people. ATLANTIC has agreed to subsidize a portion of the cost as a benefit to its network providers and thus Garfunkel, Wild and Travis, P.C. has agreed to provide this program to ATLANTIC Preferred providers at 50% off the normal cost for a total of \$425.00. All materials are included at this special ATLANTIC cost. I have personally attended this program and can emphatically state it is excellent and the tools provided to meet compliance are invaluable. There is no obligation after the program to retain Garfunkel, Wild and Travis, P.C. The seminar will give any staff member or doctor that attends the necessary tools and information to meet compliance.

Please check the following and Fax this form back to ATLANTIC at 973-451-9471 by February 11, 2003 if you would like ATLANTIC to pursue the finalization of the date and location for the Garfunkel, Wild and Travis, P.C. HIPPA Seminar.

WE ARE INTERESTED IN ATTENDING THE HIPPA SEMINAR
