RE: LIBERTY MUTUAL BILL AROUND

WE HAVE RECEIVED A LIST FROM LIBERTY MUTUAL GROUP ADVISING US THAT THEY ARE EXPERIENCING CERTAIN CENTERS "BILLING AROUND" ATLANTIC IMAGING GROUP.

This list contains the facility names, patient names, payments and other pertinent data for 767 claims that were billed around Atlantic Imaging Group. In accordance with our Provider Agreement and the LIBERTY MUTUAL contract effective March 1, 2000 with Atlantic Imaging Group, we will be withholding payments from the centers that have been identified by this list.

Effective immediately, Liberty Mutual will advise all of their claims personnel to either return the claim to the Provider or direct it to Atlantic Imaging Group for return to the facility. In addition, we will be contacting specific facilities to discuss the ongoing bill-around issues and working on solutions to prevent this from happening again. Be advised that the clock for payment begins after a claim is received through the proper mechanism.

ATLANTIC IMAGING GROUP has implemented its new claims payment system I-HCFA.com effective July 1, 2000 and is making every effort to expedite ALL Claims processing components. Our goal is the payment of claims within 5 days of receipt of funds from the carrier.

LIBERTY MUTUAL CLAIMS PAYMENTS ARE DELAYED WHEN FACILITIES:

1. Submit a claim to without a Radiology Report
2. Bill Around Atlantic Imaging Group.

We appreciate your ongoing support of Atlantic Imaging Group.

Sincerely,

ATLANTIC IMAGING GROUP
